RACE SWAG!

This year's Myrtle Beach race swag is designed to capture the city's vintage charm while reflecting the fresh, modern energy it's embracing. The iconic SkyWheel serves as a centerpiece of the design, paying tribute to one of the area's most recognizable attractions. A softened, retro-inspired color palette brings in those classic coastal tones, while the navy shirt creates a bold contrast that allows the logo and design elements to truly stand out.

Participants will also receive a custom beach towel—perfect for sunny March race weekend and days by the water. Stylish, functional, and uniquely Myrtle Beach.

Make sure to grab your race swag before you head out—these goodies are available only on-site and will not be mailed afterward.
